

ASC 2027 Akron Conference

American Society for Composites (ASC) 42nd Annual Technical Conference

27-29 September 2027 at The University of Akron

Company Sponsorship Information

Sponsoring this composites conference puts your brand in front of talented students, industry leaders, and international experts, positioning you as a leader in the field. Your organization gains global visibility through event programs, the website, and other platforms. The mix of academia, industry, and national labs gives you a chance to share your challenges, get feedback, and showcase new technologies and products to an engaged audience. The event also offers exclusive networking with global experts and the chance to contribute to the discussions shaping the future of composites.

Several sponsorship tiers are available:

- a. **Silver Sponsorship Package (\$2,000):** Company logo on conference program and website, and on-site exhibition table.
- b. **Gold Sponsorship Package (\$4,000):** Company logo on conference program and website, exhibition table, coffee-break co-sponsorship (signage during coffee break), one paid registration fee for company attendee to attend conference.
- c. **Platinum Sponsorship Package (\$8,000):** Gold Sponsorship items plus 1-min video played before Keynote lecture, special session or course (1 hr 15 mins), one more paid registration fee for company attendee to attend conference (total 2).
- d. **Global Sponsorship Package (\$20,000):** Platinum items plus top billing for company logo on conference program and website, full-page advertisement in conference program, recognition + option to show 2-min video, promotion at the Awards Ceremony, extension of special session or course to 1 hr 40 mins.
